Dear Sir:

The following is submitted in response to the **Notice Regarding Drawings** mailed July 14, 2005. The notice states that the corrected drawings for the above-identified patent application, received in the USPTO on July 1, 1999 are not acceptable.

Amended drawings were filed on February 8, 2002. An Office Action was mailed May 22, 2002. In the Office Action Summary, the Examiner checked the box regarding drawings, but made no further comment. Applicants filed a Response to the May 22, 2002 Office Action on January 6, 2003 and requested that the Examiner confirm approval of the drawings. Further, Applicant filed a response to the March 14, 2003 Office Action on May 14, 2003; filed a response to the February 10, 2004 Office Action on April 12, 2004; and filed a response to the August 13, 2004 Final Office Action on October 8, 2004, all requesting the Examiner confirm approval of the drawings. As no further action has been taken by the Examiner, it is Applicants' understanding that the amended drawings are approved. As such, substitute drawings are provided here.

Amendments to the Drawings begin on the page entitled "Amendments to the Drawings." and include attached replacement sheets.
